

# Alumni Weekend 2024

Gentlemen,

What could be better than spending a day with your Marine Military Academy brethren? How about three days! (See Attached Schedule Information).

Yes, it's time to make plans for the 2024 MMA Alumni Reunion! It will be the perfect time to reunite with old friends and reminisce.

We will get things started Friday, April 5, 2024 with breakfast in the Mess Hall, followed by a short walk down Battalion Street to Coleman Hall for morning colors. Registration will be ongoing that morning. All alumni are invited to attend a luncheon with the Senior Class beginning at 1130 in the Cadet Activity Center (Peacher Hall), and the presentation of their alumni pins by alumni in attendance. Following that, you are encouraged to enjoy the afternoon at South Padre Island.

Saturday will be your day to enjoy the sights and events that South Padre Island has to offer. At 1800, Happy Hour starts, followed by a delicious buffet dinner from 1900-2200.

So, whether this is your 10th, 25th, or 50th year reunion, come ready to get with your band of brothers and catch up. It is also a great opportunity to find out what is happening at MMA. Most important of all, it's a time to relax and enjoy the company of those who helped forge so many memories.
